Fun to be had: A five-mile round-trip ride by railroad motor car traveling through the Iron Bridge over the beautiful Toccoa River to Murphy Junction, then returning over the bridge back to the Historic Mineral Bluff Depot. Then take a ride on the genuine **Railroad Hand Car** from the depot to End of Track! Fun for all ages. Visit inside the Depot and see the progress being made on our large "HO Scale" model railroad based on the L&N Railroad's "Old Line" from Atlanta to Etowah, Tennessee and the branch line through Mineral Bluff to Murphy, North Carolina. Come see what's new!
