HAPPY BIRTHDAY

The November Birthday Bunch There are two members that have 'fessed up to having a birthday this month, Bill Odendahl on the 11th and Jerry Hicks on the 24th. Many happy returns to these two gentlemen!

STORAGE CONTAINER

The first container received proved to be 1 ½ inches too short to allow entry of the Motor Car. Carl Hymen made a deal with a vendor in Blairsville to exchange for a Hi-Cube container and now all is well with the Motor car now properly housed! Chris Hayes and Ron Long have it pressure washed and Ron has ground the rust spot and applied primer. Next will be painting it sky blue.
